

SNOWREPORT

2004/2005

Alpine Snow Report for Wednesday Jan 19, 2005 @ 09:20 AM

The rain and warm temperatures have depleted a significant amount of our snow base. As of today **Wednesday, January 19th**, all **Alpine (downhill skiing and snowboarding) lifts and terrain, Nordic trails (cross-country skiing and snow shoeing) and the Ozone Snow Tubing Park will be closed until the snow falls...**

Fat Teddy's Bar and Grill, Altitude Sport and Gift and the General Store will be open daily. Thank you for your patience while we wait this one out and we will let you know as soon as we can re-open.
